\*Additional time should be allotted for reading directions and going through samples.

†Administering Level 9 of the CogAT with higher levels is strongly discouraged. Figure Matrices for Levels 10–11, 12, and 13–17/18 should also be administered separately, if possible. If needing to administer Levels 9–17/18 together, please contact BJU Press by email at [testing@bjupress.com](mailto:testing@bjupress.com) or by phone at 800.845.5731 for advice.

**BOLD Subtests** are part of the **Core Composite**.

\*These subtests are *optional* although the Directions mark them in bold as though they are required.

Times given are minimum totals. Some extra time for breaks, instructions, and other needs should also be taken into consideration as testing sessions are scheduled.

Students can receive Core and Complete Composite scores without taking Word Analysis and Listening. If these subtests are administered, however, the scores from these subtests **will count** towards these totals.
